Dear parents/carers

After 33 years of teaching, including 4 as Headteacher of Windsor Park Middle School, and discussions with my family, I have decided to retire at the end of August. This has not been an easy decision to make but I do believe it is the right one.

I have really enjoyed the privilege of headship, I love Windsor Park Middle School and I think we have the most dedicated, caring and professional staff working here. The children have been an inspiration and they have provided me with many life lessons through their generosity of spirit, pride in their school and families, their hard work, resilience and most of all their enduring sense of humour.

I can assure you that the Governors will be working closely with Mr Osborne-Town (the CEO of the Uttoxeter Learning Trust), Mrs Wilbraham-Jones and our exceptional leadership team to ensure that Windsor Park Middle School continues to thrive and is an outstanding school for your children.

There is still much to do on a day-to-day basis and I will continue to commit myself to the school in the months ahead.

I never realised how significant a period of time this last 4 years would be for me. Windsor Park Middle School will always hold a special place in my heart; I have learned so much and I am very grateful. It really has been a joy and I will miss you.

Kind regards
