Dear Parents/Carers

We would like to send a big 'well done' to all of our year 6 students. Each and every one of them has given their all and we are very proud of their conduct throughout the SATs period. We will receive the results in July and report them to you in due course.

As we look ahead to our year 6 students making the transition to Key Stage 3, we would like to make you aware of some changes.

Firstly, year 6 students who are currently in Super Tutor groups for Maths and English will begin the transition back into their house tutor groups. We will plan this carefully to ensure that the move is a smooth one and anticipate that students will begin the new half term in their original tutor group. There will be a select number of year 6 students, who are in an English Super Tutor, that retain the additional support in order for them to complete the writing element of the curriculum to the best of their ability.

Secondly, in preparation for year 7, year 6 will go from 4 to 3 Maths sets. This will mean some changes to the groupings and possibly who teaches them. These groups will be created using our most up to date assessment data, but will remain a working model and be reviewed prior to September to ensure all students are in the group which meets their needs. These new Maths groups will take effect from after half term. We will write to you separately to inform you of which class your child will be in.

As ever, we would like to thank you for your continued support and look forward to making the transition to Key Stage 3 a rewarding and seamless one.

Yours sincerely

Mrs J Bailey
Assistant Head Teacher (Teaching and Learning)
