Dear parents / carers

As a local government organisation funded by public money, we are subject to regular health & safety inspections to ensure we comply fully with all regulations. The results are graded on a scale of one to five, with five being the highest. Historically we have not excelled in these audits. Four years ago, after considerable work and effort, we were pleased to increase our grading to a level 3.

With this in mind, I am sure you share my delight that following a recent inspection, we have been judged as a level 5. This is an outstanding achievement, rarely awarded and recognises the hard work and effort of everyone in the school, but in particular the drive and dedication of Elaine Bull, our Health & Safety Officer.

Please join me and the governors in congratulating all the staff and children at Windsor Park on such an amazing achievement.

Kind regards,
