Dear Parents/Carers

We are delighted to announce that this year we will be running a project in conjunction with Ingestre Hall exploring the role that Ingestre played during World War I. Your children will have the opportunity to interview local historians, visit Ingestre's WWI replica field hospital, learn about the Great War through art, drama and music, as well as participate in a number of after school and Saturday sessions. The format is laid out below and we will have two experienced Ingestre practitioners leading each session. Ordinarily, this type of project would cost around £400 per child, however thanks to funding from the Heritage Lottery Fund, we are able to offer this incredible opportunity for just £60 per child. This includes all tuition for the 10 Tuesday after school sessions and all 10 Saturday morning sessions, transport to Ingestre Hall, a two and a half day residential to Ingestre Hall (covering insurance, meals and accommodation).

As this is a grant-funded project, we can only offer 50 places therefore we will operate on a first come, first served basis. The expression of interest slip should be returned by Friday 10th November. A £20 deposit will need to be paid by 19th December via Parent Pay, with a further £20 payable by 31st January and the final £20 by 28th February. This project requires commitment from you and your child (it is vital that your child experiences the whole project, rather than just elements of it) therefore we are asking that children attend at least 8 of the Saturday sessions and 8 of the after-school sessions in order to be eligible to attend the residential in May.

Should you wish to put your child's name forward for this exciting opportunity, please complete and return the slip below to the school office by Wednesday, 1st November.
