Dear Parents/Carers

I am delighted to inform you about an exciting visit to our school on Monday, 4th December. Years 5, 6 and 7 will all get the opportunity to take part in a Subject Revolution maths event. Subject Revolution is a company, led by qualified teachers, who deliver a series of interactive, practical maths challenges to students. All of the challenges focus on reasoning and problem solving with maths – vital skills for success in the subject.

We have been extremely lucky to secure a bursary from the Liverpool Mathematical Society Bursary Fund, which will cover most of the costs for the event. However, we still need to ask for a small voluntary contribution of £1 per child to make up the shortfall. If you feel that you are able to help us, please send your child with £1 to the school office. Unfortunately, we are unable to use parent pay on this occasion.

I have personally seen this event in action before and am sure that our students will not only learn some new mathematical skills, but enjoy their learning at the same time.

Yours sincerely

Mrs J Bailey
Assistant Headteacher
