Dear Parent/Guardian

Y8 Trip to “The Big Bang” UK Young Scientist and Engineers Fair

The Science department have organised a trip to the NEC on Wednesday, 14th March 2018 open to all Y8 pupils to broaden their understanding of science both to give a wider understanding of the role of science in the workplace and to generally inspire them.

We will leave school at 9:00 am and anticipate returning at 3.40 pm. Pupils will require a packed lunch (those in receipt of free school meals can be provided with a packed lunch if required, please indicate on the slip at the bottom of this letter). Pupils are expected to attend the trip in normal school uniform. Mobile phones will be permitted to take photos of the exhibits, however misuse of phones will be dealt with in line with the school policy.

Please complete and return the slip and payment of £6 by the ParentPay system by Wednesday, 31st January giving your permission for your child to attend. There will be no charge for pupils in receipt of free school meals or pupil premium.

Please note that the school reserves the right to exclude a child from the visit at any time if it is felt that their behaviour does not warrant a place on the trip. We are very much looking forward to an exciting and enjoyable day.

Yours sincerely

Miss A Morris
Lead Teacher of Science
