Dear Parents/Carers

As the 'Live Date' for the new Biometric Trust-e Cashless System supplied by Nationwide Retail Systems Ltd is imminent, we require the consent of at least one parent in order that the biometric information of your child can be processed. Please be assured that this information remains within the school and that the biometric information taken is an algorithm and not the actual finger print.

The preference of the school is to use biometrics as this is more secure and faster than any other method of identification and we appreciate your co-operation with regards to this matter.

Could you please therefore complete and sign the form attached and return to the school office by no later than 22nd January 2018.

Yours sincerely

Mrs Wilbraham-Jones
Headteacher
