11 January 2018

Dear Parents,

As the parents of our Year 6 students you will be aware that your child is working towards SATs in May. In preparation we have been reviewing the progress of all children. We are pleased and extremely proud of their hard work and want to thank you for your support with home learning.

Every child has a personal target and in order to ensure that all children fulfil their potential, we will be putting additional programmes of support and interventions in place for those children where data has identified areas for further development. There are a range of different interventions being implemented, both during and outside the school day. We will contact you separately where interventions are timetabled outside the school day, inviting your child to attend.

Whilst we endeavour to minimise the impact of SATs on students, we recognise that for some this can be a particularly anxious time and we welcome conversations with both students and parents should any concerns arise. As a holistic school we value the educational experience of children in its widest sense; in light of this we will be offering 'Mindfulness Meditation' well-being sessions for pupils during selected lunch breaks.

In addition, we would like to invite you to our Parents' Information evening. For your convenience this will be held on the same evening as Year 6 Parents' Evening (Wednesday 31st January). There will be a rolling programme of 20-minute sessions starting at 4pm, please indicate on your appointment booking form which session you would like to attend. Parents who attend these sessions will receive free home learning packs to further support their children.

We would also like to offer Maths and English workshops to parents. During these sessions we will demonstrate what year 6 students are expected to do, giving you the opportunity to try these skills for yourself. Please indicate on the reply slip below if you are interested in these workshops and return it by 23rd January.

We thank you for all your support to date and look forward to welcoming you to the Parents' Evening and Information Sessions on 31st January.

Yours sincerely

Mrs Wilbraham-Jones
Headteacher

Please return this slip to the school office by 23rd January.

I/we would be interested in Parent Workshops to support my child in: Maths English

I/we would prefer they take place: during school day after school day
