13th March 2018

Dear Parents/ Carers,

Y8 Diversity Activity Day – Monday, 26th March 2018

The Geography and French Departments have decided to enrich the curriculum and have arranged for a group from the Minority- Ethnic Achievement Service to come into school to work with Year 8. These sessions will be looking at population issues, which they have been studying in Geography and pupils will also get the chance to learn about Chinese language and calligraphy. This will take place on Monday, 26th March 2018.

Pupils will attend three workshops and there will be a feedback and question and answer session at the end of the day. As a result, we will have to ask for a voluntary contribution of £4.80, which can be paid via ParentPay. During these interactive sessions pupils will have the opportunity to listen to real life accounts of refugees and economic migrants; identifying the difference between these and understanding issues that they have encountered. They will also have the chance to learn about the Chinese language and will learn to write some of their symbols and understand their culture.

The day will be of huge benefit to the pupils as it will help them to appreciate global issues that are very relevant today and have a better understanding of the world in which they live.

Yours sincerely,

Mrs H Jones
Head of French

Miss L Yorke
Head of History and Geography
