Dear Parent/Carers,

I am truly delighted to announce that we have successfully secured a government grant of approximately £2 million to fund extensive building improvements at the Windsor Park Middle School. Once completed this will provide vastly improved school facilities with newly refurbished classrooms and the latest technology throughout.

Further information and artist impressions will be made available on the website in due course, but in the meantime I would like to invite you to a celebration at 5:30pm on 20th June where I and members of the project team will present the plans, explain how the project will be managed to avoid disrupting the normal running of the school and take questions and answers.

If you wish to join us and learn more this exciting development of Windsor Park, please can you return the slip below to the office no later than Monday 4th June 2018.

With kind regards,

Mrs Wilbraham-Jones
