Dear Parents/Carers

We have had a very exciting morning in school today! As part of our music provision this year, we have had a live band appear in school this morning to showcase musical talent to all pupils. This will now be followed up with a very exciting opportunity for students.

From September, we are looking to expand our peripatetic music service (provided by Entrust) and would like as many pupils as possible to have the opportunity to learn a musical instrument. This is an invaluable opportunity as learning an instrument would provide a new and exciting platform to showcase their creativity and talent along and continue their learning journey in music.

A variety of different instrumental lessons are being offered (along with the continuation of our current instrumental lessons with Mrs Fletcher and Mr Armshaw) in keyboard, singing, guitar, percussion, strings, brass and woodwind. We do, however, need a core number of pupils wishing to participate in lessons in order for them to take place. Lessons are available to all students in all years. Instruments, along with any repairs that may be needed over the course of the year, can be provided by Entrust and lessons will need to be paid for in advance to allow for the booking of teachers.

At this point, we are asking you to complete the reply slip below if you are interested in peripatetic music lessons for the academic year 2018-2019. We would ask that you complete the slip, and return to either Mrs Goodwin or the school office, by no later than 21<sup>st</sup> May in order for us to facilitate instrumental lessons next year.

This is a fantastic opportunity for your child to get involved in music and explore their musical potential and we thank you for your continued support with music and the arts at Windsor Park Middle School.

Yours sincerely

Mrs S Goodwin  
Music Teacher
