5 September 2018

Dear Parents/Carers

It is our aim within the PE Department to ensure all students can swim 25 m unaided by the end of Key Stage 2, in line with the current Ofsted requirement. All students in Y5 at Windsor Park Middle School have a swimming lesson within the first half term to assess their current ability. These will take place on the following dates during lesson 2 at the Uttoxeter Leisure Centre:

Alton – Tuesday, 11 September 2018

Chartley – Tuesday, 18 September 2018

Tutbury – Tuesday, 25 September 2018

Please ensure your child has their swimming kit with them on this day. Students will walk to the Leisure Centre with members of school staff. The lessons will be led by County Swimming Instructors. Following on from the initial lessons, students who are reaching the above requirement will continue to have additional swimming lessons throughout the school year to support them to achieve this. Further details will be issued to parents/carers regarding this.

All students will then have swimming lessons as part of their PE Curriculum in year 6 where the varying needs and abilities of all students will be catered for.

There is no cost to parents/carers for any of the swimming provision at Windsor Park.

Swimming is an important life skill and it is an activity that we want all our students to succeed in and enjoy. Thank you for your support in helping us achieve this.

Kind regards

The PE Department
