9th January 2019

Dear Parents/Carers

Diversity Activity Day – Wednesday, 20th March 2019

As a way to enrich the curriculum, the Geography and French Departments have arranged for a group from the Minority- Ethnic Achievement Service to come into school to work with Year 8. These sessions will be looking at population issues, which they will be studying as part of their Geography topic this term, and pupils will also get the chance to learn about Chinese language and calligraphy. This will take place on Wednesday, 20th March 2019.

Pupils will attend three workshops and there will be a feedback and question and answer session at the end of the day. As a result, we will have to ask for a voluntary contribution of £5, which can be paid via ParentPay by Monday, 4th March. During these interactive sessions pupils will have the opportunity to listen to real life accounts of refugees and economic migrants; identifying the difference between these and understanding issues that they have encountered. They will also have the chance to learn about the Chinese language and will learn to write some of their symbols and understand their culture.

The day will be of huge benefit to the pupils, as it will help them to appreciate global issues that are very relevant today and have a better understanding of the world in which they live.

Yours sincerely

Mrs H Jones
Head of French

Ms L Yorke
Head of History and Geography
