

HOME LEARNING – FRENCH

YEAR 5

Choose from the following:

- Draw your own 'animal extraordinaire' – an animal made up of three or four different creatures. Un serppoissant is a cross between un serpent, un poisson, and un éléphant. Give it your own name too.
- Choose a topic that interests you and create a vocabulary mat which includes key words related to that topic. You could illustrate it as well as simply finding the French.
- Visit <https://www.languagesonline.org.uk/Hotpotatoes/frenchindex.html> and do any of the quizzes under the 'primary' section.
- Download the duolingo app or go online to <https://www.duolingo.com/> and learn French.
