<b>Subject:</b> French Y8	<b>Week:</b> w/c 12 Oct
<b>Objectives:</b> To understand how to form the near future tense and apply it. To create a powerpoint or publisher document to.	
<b>Learning activities (in order to be completed):</b> <ol style="list-style-type: none"><li>1. Up to this point, you have only ever used present tense in French. Now you're going to see how to form 'le futur proche' (the near future). The near future is I am going + an infinitive and translates as you are <b>going</b> to do something. (Beware! It is NOT translated as 'will' do something.) Look at the powerpoint to see how to form it. Make notes.</li><li>2. Complete the 'task' slide.</li><li>3. If you completed 1&amp;2 last week (wc 5 Oct), what I'd like you to do this week is put together your own powerpoint or publisher document as if you had to explain to another Year 8 how to form near future tense.</li></ol>	
<b>Resources:</b> For 1. Use the powerpoint to understand how to form near future. For 2. Complete the task within the powerpoint and email just that slide into to school.
