## **Home Learning Instructions**

Subject: DT year 5 Week: 6 12.10.2020

Objectives: To develop necessary skills for practical application

Learning activities (in order to be completed):

As a way to improve aspects of DT. Please complete the following.

Draw a square that is 10 cm x 10 cm, now draw a circle that measure 4 cm across, draw a triangle that is symmetrical.

Now shade two of the shapes using a pencil crayon. This must be neat and have no white spaces.

Next cut out your shapes leaving the pencil line showing, this will test your scissor accuracy.

Stick the shapes on a piece of card arranging them neatly.

Write a title with a ruler underline DT tasks

This may seem simple, so let's now draw 5 lines one wiggly one straight and one with wavy curves. Now cut along the lines. How did you do?

Practice your colouring and cutting out over the next week.

EXT try making something using simple origami

Resources: paper, crayons, scissors, glue

Key vocabulary: Accuracy, measure, cut, shade

When work has been completed, please send to your teacher at <a href="mailto:@windsorpark.staffs.sch.uk">@windsorpark.staffs.sch.uk</a> using your school email account.
