

Flexible Wrap Around Care

The Extra Mile

We aim to provide high quality child care for Windsor Park pupils and will provide a range of stimulating activities in a safe environment. Please note: this will not include educational support or tutoring, although children may opt to use their time reading or undertaking homework.

Breakfast is included with the before-school sessions and snacks/drinks are provided at both after-school sessions. Prices are £5 per session, but we are pleased to offer a 10% discount for all three sessions on the same day (ie: £13.50 as opposed to £15).

Additionally, parents may purchase 'pack-up' tea at time of booking (£2.45) to be eaten after school. Bookings for blocks or individual sessions should be made in advance through the school office (01889 563365); booking hours are 8:30-12:30 Mon-Fri term-time only. Payment will be taken via Parent Pay (childcare vouchers and tax credits are accepted at Windsor Park).

"The wraparound care provided is superb - it is flexible, supportive and affordable. She thoroughly enjoys her sessions and benefits from the support offered, while we benefit from knowing that she is safe". Parent
