June 2022

Dear Parent/Carer

Please be advised that from 1st September 2022 there will be a price increase to the cost of the main school meal. The current price is £2.45 for a main meal and dessert. This will increase to £2.50. The school has not implemented a price rise for the last four years but due to the continued pressure on the cost of wholesale food we cannot avoid this price increase any longer.

It should be noted that a school meal at Windsor Park still provides excellent value for money and our prices compare favourably when compared with other local schools. Our kitchen will continue to offer an exciting and varied range of meals, snacks and drinks, which are both healthy and nutritious. All of our menus are developed in line with the nutritional standards set by the Government's Food Policy in Schools.

For our students in receipt of Free School Meals, the increase will be applied to the daily allowance. This will ensure they continue to have access to the main meal and dessert menu.

I ask for your understanding with these unavoidable price increases; if you have any questions please do not hesitate to contact the school.

Yours sincerely,

Mrs L Wilbraham-Jones
Headteacher
